Second Motion to Dismiss

1. On July 20, 2012 in the US District Court defendant Russ Smith seeks an order to dismiss this case for plaintiff Domain Tools failure to submit Initial Disclosures pursuant to Fed. R. Civ. P. 26(a)(1). The initial order of the Court required the disclosures be made eight days after the Fed. R. Civ. P. 26(f) conference scheduled for May 21, 2012. The Minute Order filed May 23, 2012 changed the Fed. R. Civ. P. 26(f) conference to June 20, 2012 and adjusted all other Fed. R. Civ. P. 26 dates accordingly. This changed the date of initial disclosures to June 28, 2012. Domain Tools failed to submit the disclosures to defendant Russ Smith by that date.

Relief Sought

2. The relief sought with this motion is:

a. Dismiss the case in its entirety with prejudice.

A handwritten signature in black ink, appearing to read "Russ Smith", is written over a horizontal line.

Russ Smith, *pro se*
June 29, 2012
